Dear Proverbs Place Families and Staff,

In response to the ongoing COVID-19 pandemic, Proverbs Place has instituted the following Travel Policy:

All families are required to notify Proverbs Place of all travel plans in any destination with high COVID-19 rates that **may** require a quarantine period.

If a quarantine period is determined, in lieu of a quarantine you may wait the 5-day incubation period once you return home and then take a COVID-19 test. This method would require you to present a negative test for all household members who have traveled.

As a reminder, travel by airplane, train and bus are deemed modes of travel higher in exposure to COVID-19 by the CDC. You can view this information here:

https://www.cdc.gov/coronavirus/2019-ncov/travelers/travel-during-covid19.html?CDC_AA_refVal=https%3A%2F%2Fwww.cdc.gov%2Fcoronavirus%2F2019-ncov%2Ftravelers%2Ftravel-in-the-us.html

A 14-day quarantine consists of all members of your household being symptom free for all 14 days. To view a list of COVID-19 symptoms, please visit:

<https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html>

The CDC has identified high-rate states based on the average increases within a 7-day period. You can find this information here:

<https://www.cdc.gov/covid-data-tracker/#cases>

If you or your family need to obtain a COVID-19 test, please visit the Virginia Department of Health, at:

Please note that tuition will not be adjusted for personal travel nor for quarantine time. While we understand that family vacations can help establish a sense of normalcy during these scary times, Proverbs Place is dedicated to ensuring the continued health of our entire School family. Non-compliance with this policy will endanger the School Family, especially vulnerable children and adults, in addition to a potential dismissal from the School.

My signature below indicates that I pledge to abide by the COVID-19 travel policy.
